Room 33 & Zoom

## Meeting Minutes

---

### 1. Welcome

**Joel Carlisle**

Meeting called to order at 3:23PM.

### 2. Approval of [Minutes from February 9, 2022](#)

**Jacob Carlisle**

Motion to approve last meeting minutes by Mr. Carlisle and second by Mr. McDermott.

### 3. Principal's Updates

**Matt Eeles**

Friday, March 11, 2022 will be the final day of the mask mandate. After this date, masks will be strongly recommended inside but not required. Staff and students will support those who wish to remove the masks while supporting those who wish to wear their masks. Masks will be optional.

A new bell schedule is being prepared for the 2022-23 school year. There is a committee to talk with our department members and administration. School must start at 8:30AM and dismissal will be at 3:30PM. There is a vote coming to change HiSTEP to Monday through Friday as a result. With the new bell schedule there will be 20 late start days to provide professional development opportunities for staff. The hope is for one long lunch per month with the new bell schedule. These proposals are submitted and communication has been sent out to staff. Next Wednesday is a late start day and teachers will review and discuss before the upcoming vote.

Wednesday, March 9 will be a new event for our incoming LHHS students beginning in our PAC at 5:00PM. Information about academies, programs, and athletics will be available along with campus tours to welcome our incoming students.

Pool construction continues on track and is scheduled for completion at the end of 2022. Updates have been made available in the principal's newsletter, the "Highlander Huddle." Science labs and Lecture Hall will also have new renovations planned for the summer. As a staff, we are already starting to work hard to prepare for 2022-23. Departments have reviewed schoolwide goals to identify high impact goals that will make the biggest

impact on our campus as determined by our staff. Staff will be focusing on these goals to have a common focus moving forward.

The end of the 3rd quarter is coming quickly. There are many activities coming up such as Sadies, Prom, and Top 100 in April. There are also a lot of activities planned for our Seniors as well.

#### **4. SPSA Updates**

**Craig Weinreich**

New Viewsonic touchscreen displays were installed for our teachers earlier this year and another shipment to be delivered later this spring for the remaining classrooms. SPSA funding allocated for installation of these screens on the walls. Also, funding allocated for EdTech applications such as Garbanzo, Quizlet, TeachersPayTeachers, and other subscriptions made. A few more purchases for the PAC to help with productions and events were made. Upgrades for our athletic team room are planned while the weight room received some new equipment as well. The Science Department put in for purchase requests for lab equipment and materials. A new plasma cutter was purchased for the Ag Welding Program and virtual reality headsets purchased for the FPFA program to go with their new ambulance simulator.

#### **5. Additional Agenda Items**

**Jacob Carlisle**

CAASPP & CAST Testing upcoming for Juniors and Seniors from March 30 - April 14. Communication and the bell schedule information will be sent out soon.

Meeting adjourned at 3:41 PM.
