

Booster FAQ's

Booster Club Insurance

- We recommend [RVNuccio](#) - the cost is \$155 for the entire school year, and this covers you for all your events as long as they are not on the “no coverage list”. Must renew by July 1, of each new school year.
- Another third-party vendor for insurance coverage is [eventhelper.com](#). Same as above please use the District address, not the school site address.
- You can also purchase insurance from an insurance broker/company of your choice.

Athletic Stipends - OFF SEASON

Off-season stipends are calculated at the rate of “Any other Assistant Coach”. The maximum amount allowed is \$3,716.60. This information has been updated on slide #30 in the 2023/24 Booster Compliance Presentation. The presentation can be found on the district website.

Stipends up to $\$3,716.60 \times 2 = \$7,433.20$ (not including employer taxes) can be split into (4) 25% increments.

These additional off-season stipends are NOT mandatory. They are based on what you can raise and what you decide to pay your coach(es).

If the booster club wants to cover the “employer taxes” below are the percentages:

CERTIFICATED EMPLOYEE 24.27% Benefits	CLASSIFIED EMPLOYEE 38.37% Benefits	WALK-ON CLASSIFIED COACH 9.87% Benefits
---	---	---

We will publish the new percentage rates in the spring for the summer of 2024.
