Booster Club Insurance

- We recommend [RVNuccio](#) (based on the cost and coverage provided). The cost is \$155 for the entire school year, and this covers you for all your events as long as they are not on the “no coverage list”. Must renew by July 1, of each new school year. Please use the District address, not the school site address.
- Another third-party vendor for insurance coverage is [eventhelper.com](#). Same as above please use the District address, not the school site address.
- You can also purchase insurance from an insurance broker/company of your choice.

Athletic Stipends

As of this year, there is no limit on the number of stipends supported by Booster Clubs, however, we must follow the stipend guideline in the CBA and no more than one stipend per coach during the school year.

Stipends are calculated at the rate of “Any other Assistant Coach”. The maximum *Take Home* amount allowed is \$3,746.43. *This information has been updated on slide #31 in the 2024/25 Booster Compliance Presentation. The presentation can be found on the district website.*

Summer Athletic Stipends cannot exceed the Summer Teaching Hourly rate of \$50.59 (for 2024-25), with a maximum of 6 weeks / 4 days per week / 5.25 hours per day for a Total *Take Home* amount of \$5,843.15 *This information has been updated on slide #35 in the 2024/25 Booster Compliance Presentation. The presentation can be found on the district website.*

These additional stipends are NOT mandatory. They are based on what the Booster Club can raise and what you decide to pay your coach(es).

If the booster club wants to cover the “employer taxes” below are the percentages:

CERTIFICATED EMPLOYEE	CLASSIFIED EMPLOYEE	WALK-ON CLASSIFIED COACH

The District will publish updated Benefits percentage rates in the spring, which will be applicable for the summer of 2025.
