

TROY HIGH SCHOOL WARRIOR WEEKLY

February 19, 2021

Warriors,

We are just wrapping up a fantastic week, made better by the fact the COVID-19 numbers continue to fall, counties throughout the State continue to move closer to less restrictive tiers (including our own), and we have Teachers and Students back on campus! With all we have been through the past year, what could be much better? Ok, I know everyone has a list...☺ We have a fair amount news, so let's get going!

Troy's Cheer Team came out in support of our X-Country runners Wednesday which

added more energy to the event! It was also nice for them to be able to perform for the first time at an athletic event this year! I think we may see our Cheer at other events as our sports continue to reopen. Have we ever seen Cheer at a Tennis match? Probably not, and in that case there may be good reasons. ☺ However, I think Cheer could be at a soccer, softball, baseball, Track & Field, and of course Football!

The graphic is a red and white banner with a grey background. At the top, it says "Troy XC" in large black letters, flanked by two circular logos containing the letter "T". Below this, it says "Troy vs Fullerton Results" in bold black letters. Underneath, it lists "Boys Varsity - WIN - 42-17" and "Girls Varsity - WIN - 32-23". The graphic is divided into three sections: "Boys Varsity Highlights", "Girls Varsity Highlights", and a summary section at the bottom.

Troy XC

Troy vs Fullerton Results

Boys Varsity - WIN - 42-17 Girls Varsity - WIN - 32-23

Boys Varsity Highlights

5 athletes ran under 16:32 for 3 miles. Many of these athletes recorded Personal Records.

Junior Zach Wallace not only won the varsity race, but he set a personal best time of 15:54.

Girls Varsity Highlights

Sophomore runner Makenna Henkhaus ran an unbelievable time of 18:13 to win the Varsity Race, while junior Rylee Garner broke her personal best time by 30 seconds.

The lower levels had many standouts. Gina Marquez won the JV girls race and freshman Daniel Son shattered his personal best with a time of 18:08

As you are probably able to quickly see thanks to this graphic by our Athletic Director, Mr. Chris Blume, our X-Country teams did very well in their competition on Wednesday vs. Fullerton Union High School! In addition, there were some outstanding personal achievements that were reached by some of our runners at all levels! Next week we will be taking on the La Habra High School Highlanders, and once again using "The Old Course." Good luck next week Warriors and great job this week! Once again this week the race was livestreamed by our own Troy Media, and this week the commentator was Troy X-Country coach, Mr. David Shiota!

The telecast of the race of is also available on YouTube for anyone that would like to see a replay of the race or just the highlights! Great job Warriors!

In more athletics news, Girls' Varsity Tennis will host Bolsa Grande High School here on Monday, which means we have another sport in competition as the pandemic restrictions continue to relax. I look forward to seeing our strong Girls' team have a great home match on Monday, and as the coming weeks progress we will see more sports begin competition as they get the green light from CIF, the county, and State!

As I reported last week, our Troy e-Sports Team, Troy-Rockets#1, advanced to the National Finals for NASEF! Troy-Rockets #1, John Levy, Riley Donn, William Rowley, William Barrett, Ajay Liu, and Timothy Tran! Troy e-sports Manager, Mr. David Kim, reported, *“Our Rocket League team ended up finishing in 4th place in the nation! Congratulations again to the team: John Levy, Riley Donn, William Rowley, William Barrett, Ajay Liu, and Timothy Tran for a successful Rocket League season! Considering we only had a week to prepare for*

nationals while other teams had two months (since we were added at the last minute), I think we did a fantastic job!" I agree with Mr. Kim and again I would like congratulate our team for a fantastic year! Great job, Warriors!

Nanette Zhang, president of FBLA and Troy's representative on the Southern Section Executive Board as VP of Membership this year included a list of winners from Troy in the Southern Section Leadership Conference 2021 down below. Other information you may want to know is that Troy placed 2nd in sweepstakes (compared to 4th last year with limited members) and Evelyn Ou (11th grade) will be the Secretary for the Southern Section Executive Board in 2021-2022. Great job Troy FBLA! Additionally, a huge thank you to Troy Teachers, Mr. David

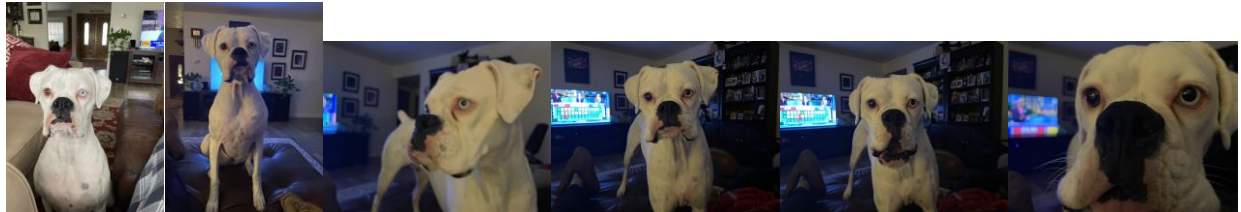

SSLC WINNERS

Accounting I 8th place: Andrea Jay Florendo	Intro to Event Planning 2rd: Jamie Lee

Intro to Business Procedures 2nd: Anvita Bhave, 3rd: Noah Kim, 6th: Joseph Yoon	Supply Chain Management 3rd: David Alcantara, 5th: Kyle Lam

CONGRATULATIONS!

Kim, and Ms. Deborah Henniger for all they do to support our FBLA! Great job Warriors!

In the last *Warrior Weekly*, I mentioned our Mock Trial had yet another competition. Unfortunately, Ms. Gabrielle Hufferd reported that we did not win this time. However, there were some very nice comments from the judges, which she will relay to me in time for the *Warrior Weekly* next week. Great job to our team and I look forward to reading those comments from the judges!

Here is the sequence of events when Luna wants either to go for a walk, or enjoy her morning coffee. I'll let you figure out which one. That being said, I hope everyone is able to get outside in the fresh air and enjoy what is going to be an absolutely beautiful weekend in Southern California! Enjoy the sun, rest, and relaxation, and I will see everyone on Monday!

W.V. Mynster
