

# TROY HIGH SCHOOL WARRIOR WEEKLY

April 9, 2021

Resident Artist-Ms. Shannon Cogswell

Warriors,

We have been enjoying some beautiful spring weather here in wonderful Southern California! With all the sports currently underway, many of us have had ample opportunity to be outdoors and enjoy some outstanding competition from our athletes. Today is Opening Day for the Major League World Series Champions, Los Angeles Dodgers, and fans will be in the stands! This is another positive sign, and instead of cardboard cutouts, real live humans will see the Dodgers receive their World Series Championship rings and unveil the banner. Go Dodgers!

In terms of the pandemic the news continues to improve and earlier this week CBS news reported; *"California Governor Gavin Newsom said Tuesday that as long as the Golden State meets two specific criteria, California will fully reopen its economy on June 15. The state must keep the COVID-19 vaccine supply sufficient for everyone 16 and older who wishes to be inoculated and keep hospitalization stable and low, CBS Sacramento reports."*

*The Democratic governor also said there were no plans to lift the mask mandate at this time. In a statement, Newsom said it was 'time to turn the page' to the next step after COVID-19 with more than 20 million vaccines already administered in California.*

*'Everyday activities will be allowed and businesses can open with common-sense risk reduction measures,' the governor's office said in a statement. 'We can now begin planning for our lives post-pandemic,' Newsom said in the statement. 'We will need to remain vigilant, and continue the practices that got us here — wearing masks and getting vaccinated — but the light at the end of this tunnel has never been brighter.' We are almost there and we can begin to plan for summer and fall!*

Luna is following the COVID protocols we have in place and is wearing the same bracelet all students received on Tuesday. The bracelet changes each day.

Yesterday was an overall very good day for Troy athletics, with our teams doing well at home. That being said, our Girls' Soccer lost a heartbreaker away 0-1 to Sunny Hills. They will

bounce back. Still about soccer, our Boys' won 1-0 at home against Sunny Hills on a goal off a free kick! Our Frosh/Soph. Football played a hard fought game against La Habra yesterday, but

were unfortunately defeated by the Highlanders. Our team made some great plays, but as frequently with any sports loss, the other team made more of them. Our team is good, and will be even better next year! Tonight our Varsity football will play at home. Tickets are still very limited to households of student participants in the game or other game related activities, but if you are unable to go to the game and still want to get a fantastic viewing experience, here is our broadcast link: <https://youtu.be/MOb90RIMiP8>

If you are enjoying the game via livestream, here is view of some of our students and Media Coach and Troy graduate, Mr. Daniel Flanagan running the mobile studio from which at all livestreamed events are broadcast. The team includes our cameras, switching gear, color commentators, and technicians. The job they do is commendable and rivals or exceeds that of

some of the paid professionals! If you are unable to attend our games, I strongly encourage you to take a look at our broadcasts! Usually, the links for covered events can be found upon our website and that link is updated each week.

This week our Girls' Softball team played a close game with Loara High School through the first four innings. Then our Warriors blew the game open! Prior to wearing Loara down, it was a 0-0 and then 1-0 before a key hit brought in 3 runs, ultimately leading to more runs in the 5<sup>th</sup> and 6<sup>th</sup> innings. It was a strong, well-played game by our Warriors, and they will be playing another home game Saturday, at 10:00am!

Our CyberPatriot National Championship hardware for our winning All Service Division championship team, ***Runtime Terror*** has arrived! Each student will receive one of the medals on the table, and the trophies, after a victory tour like the Stanley Cup (maybe not quite like that...)

will take their places in our Trophy case in the Main Office! Again congratulations to team *Runtime Terror* and coaches, Mr. Stubblefield, Mr. David Kim, and Mr. Christian Nguyen!

Nothing can replace in-person learning. However, for those wanting an online learning experience, FJUHS D does offer an online learning option. The iSierra Online Academy has existed since 2010 and is fully accredited to serve the needs of students wishing to be online!

**The iSierra Online Academy offers online independent study to students in the Fullerton Joint Union High School District (FJUHS D). Established in 2010, the iSierra Online Academy is UC/CSU and NCAA approved and is fully accredited by the Western Association of Schools and Colleges. In partnership with APEX Learning the iSierra Online Academy offers a variety of Core, Honors, and Advanced Placement courses to prepare high school students for college and work. The program operates through La Sierra High School.**

**For more information and/or to apply to the iSierra Online Academy, please contact Principal Sandi Layana at 714/447-5501 or iSierra Online Academy Chair, Lisa Valdes, at 714/447-5567, or see the website [www.fjuhsd.org/isierra](http://www.fjuhsd.org/isierra)**

From our G-TEC club at Troy High School, here is another amazing opportunity! "Join the G-TEC club at 1:00 pm on Saturday, April 10th, for intermediate CAD lessons! Anyone can

*come, but we especially encourage girls to listen in. All you need is a functioning Chromebook. The Zoom link is <https://fjuhsd-org.zoom.us/j/6544089513?pwd=ZTNLWm1hQW44TVlrY1QzN3BGU0VzUT09>, the meeting ID is 654 408 9513, and the password is 407084. Check the attached image for more details!*

*In addition, we are pleased to announce we have a speaker coming on Monday, April 12th from 3:00-4:00 pm. Dr. Alessandra Martini is a project manager at UCI, where she supervises a pathology lab. She uses technology on a daily basis to perform neurological research. Come join us to hear about her journey! The Zoom link and password are the same as above."*

Troy Community, Our FJUHSD Board of Trustees is asking for your help in selecting our next superintendent! To ensure this is a collaborative and inclusive process, the Board has requested that the consultants from Leadership Associates conduct an online survey to solicit input from staff members, students, parents/guardians, and the community. Please click on the link below to provide your input. Thank you for your participation!

This survey will be open from March 29, 2021 to April 9, 2021.

**[Click here to take the survey now.](#)**

Here is some great news from our Performing Art Director, Mr. Joseph Castillo! *Our Winter Drumline submitted a video for American Drum Line Association's virtual competition back on March 27th. They got a FIRST PLACE! Also, our Winter Guard submitted their competition video to Winter Guard Association of Southern California on March 27th, and received 1st place. They subsequently went on to a competition in Placentia and took 2nd place. Both our Winter Guard and Drum Line will be competing again this weekend! Great job Warriors, and we look forward to hearing and seeing you perform soon!*

A couple more Warrior Sports updates! First, yesterday our Warrior Baseball team won a 1-0 game with a walk off hit in the 7<sup>th</sup> inning to defeat Crean Lutheran High School in a thrilling win. I would have taken pictures, but I was too intently watching the action and by the time I realized I should have been taking photos, it was too late... next time. From our Girls' Golf Coach, Mr. Jerry Cowgill: *The Lady Warrior Golf Team wrapped up Freeway league play*

*this week with a perfect 10-0 season. This earns them the Freeway league Title and a berth in the CIF Team competition. Leading the way was Junior Gabby Kano with 2 day scores of 77 and 71, with Junior Hannah Ulibarri (76/78) and SLO bound Senior Kamille Dimayuga (76/79) close behind. Completing the varsity top 6 for CIF are Sophomore Tessa Lapradez and Juniors Jacqueline Liu and Victoria Chio. They will play in the Freeway League Finals next Monday at Friendly Hills CC to see who will go to CIF as Individuals.*

The Troy Support Organization (TSO) is proud to present “Warrior Showcase” a virtual gala to celebrate and raise money for the many amazing programs/teams/clubs at Troy. The virtual event is being produced by our own Troy Tech Media Pathways students with content provided by our partner groups. The virtual Gala will be livestreamed to Troy supporters on Saturday April 17<sup>th</sup> from 5:00-6:30 PM. To purchase tickets visit <https://www.thetroydifference.org/> The following campus groups/clubs/teams have already signed-up to partner with us: Aquatics, Band, Boys Basketball, Boys Soccer, Cheer, Choir, Cyber Defense, Dance, Football, NJROTC, Red Cross Club, Science Olympiad, Theatre, Girls Volleyball. It’s not too late to add your club/team or campus group to the list but we need to hear from you before the end of March. For more information or to contact us visit <https://www.thetroydifference.org/> or email us at [TSO@thetroydifference.org](mailto:TSO@thetroydifference.org)

Here is some amazing Troy Tech news from our Coordinator, Ms. Laurie Downum-Bonnett! *On Thursday, April 29, 2021, the Troy community will have the opportunity to celebrate our 415 Troy Tech Seniors and their Internships at the Virtual Troy Tech Fair! In the midst of the pandemic, these seniors completed meaningful internships virtually or in-person. Each Troy Tech Senior will have a slide representing their internship in a compiled slideshow. On the day of the Troy Tech Fair, Thursday, April 29<sup>th</sup>, a link to the slideshow will be made available to all Troy students and families through Aeries Communications.*

*Here is one example of what the Seniors will be sharing that day: Troy Tech Senior Veebha Havaladar was recently published based on her virtual internship last summer at The Lundquist Institute for Biomedical Innovation. During her internship, she worked in Dr. Virender Rehan's neonatology lab investigating the effects of maternal use of electronic cigarettes on fetal development of the airway asthmatic phenotype. The first three weeks consisted of a series of engaging and detailed lectures given by the researchers at the Lundquist Institute. Then she was placed in a virtual lab with a researcher. She was able to get her first official research experience and publication as well as confirm her interests in the field of biomedical engineering. Next year she will be studying biomedical engineering with a pre medical track and is deciding between Vanderbilt, Georgia Tech, and Case Western Reserve University. Her publication can be found here <https://doi.org/10.47611/jsrhs.v10i1.1369>*

Reminder! I have run this story in a couple previous *Warrior Weekly* issues, but it remains highly relevant and I want to again express how thrilled I am that the light at the end of the tunnel regarding the end of this pandemic is getting very close! We just need to keep doing the things that that have helped all of us get to this point, which is wearing our masks, being careful about sanitation, and getting vaccinated when it our turn, which for all Californians, is about to be next week. Here is the story previously included, but bears repeating.

Our current Hybrid and Online Learning Model goes away with the end of SB98 on June 30, 2021. California schools will return to regular comprehensive school education for five days each week this upcoming Fall, 2021. *“The distance learning and Principal Apportionment statutes established in SB 98 and SB 820 will become inoperative on June 30, 2021. All of the*

instructional time and attendance accounting requirements in place prior to FY 2020–21 will be back in effect for FY 2021–22 (California Department of Education).”

<https://www.cde.ca.gov/fg/aa/pa/pafaqs.asp#:~:text=When%20does%20SB%2098%20become,effect%20for%20FY%202021%E2%80%9322>

## Mobile Hot Spots

Dear Troy Students and Parents, if you or your student received a WiFi hot spot at some point in the last year and no longer needs it, please make sure you return the hot spot to school as soon as possible. While they are free for our students use, they incur significant costs to our school district, which if they are needed by the student is perfectly ok. However, if they are not still being used, it is a waste of resources. If you are still using the hotspot, you may keep it through the end of the school year and summer if you are a student taking summer school. These hotspots were checked out under each student's school account, and just like textbooks show up as a fee if not returned. For seniors, like textbooks, a non-returned WiFi hotspot might put a hold on the check-out process at the end of the year. If you have any questions regarding how and when to return your hotspot, please give us a call.

Warriors, next week we will have a modified bell schedule due to State CAASPP testing that will involve our 11<sup>th</sup> grade Troy students! We will be testing in English and Mathematics only this year and those tests will occur in 11<sup>th</sup> grade English and US History classes. This testing was cancelled by the State of California last year, but has been brought back in a limited

fashion this year, minus the Science component. I am sure Troy students will be standouts, even with the pandemic, as everyone in the State and country are in the same situation and I know the job our students and teachers have been doing with education through this entire pandemic ordeal.

**FULLERTON JOINT UNION HIGH SCHOOL DISTRICT**

sscambrey@fjuhsd.org

April 8, 2021

Dear FJUHS District Parents/Guardians:

On March 30, 2021, the FJUHS District Board of Trustees approved modification of the hybrid learning model by combining Cohorts A & B and increasing in-person instruction from two days per week to four days per week (Monday, Tuesday, Thursday and Friday) beginning Monday, April 19, 2021. Students can choose to be on campus four days per week for in-person instruction for the remainder of the school year, or choose to be in a 100% Distance Learning Model for the remainder of the school year. FJUHS District will continue to adhere to all COVID-19 health and safety guidelines as set forth by the California Department of Public Health and Orange County Health Care Agency.

**Important:**

- Families will be required to make a decision about whether their student(s) will attend in-person or remotely and commit to one form of instruction from April 19 until the last day of school.
- Follow the instructions below to login to the Aeries Parent Portal to indicate your instructional model choice of in-person instruction 4 days/week or 100% distance learning by Wednesday, April 14, 2021, at 11:59 p.m.
- Going forward, switching between in-person and remote will not be permitted.
- If you do not login to Aeries and commit to one form of instruction by Wednesday, April 14, your student(s) will automatically be placed in the instructional model they are currently in, be it in-person instruction or fully online.

**Instructions:** To choose your student(s) instructional model for the remainder of the school year in Aeries, please do the following:

1. Login to the Aeries Parent Portal with a Parent Account at <https://mystudent.fjuhsd.org>
2. Choose Student Info > Data Confirmation.
3. Click on the "Authorizations Section," and select "Yes" for In-Person Learning or "No" for Distance Learning question and click "Save."

[Click Here For Step-by-Step Directions](#)

If you need assistance accessing the Aeries Parent Portal, please contact your school site. Please note that this decision is final and students will not be able to move back and forth between cohorts. In addition, all cohort A/B (in-person) students will be allowed 3 absences where they can Zoom from home. Once the third absence has occurred, site administrators will disable the ability for students to Zoom from home.

Sincerely,

Scott Scambrey, Ed.D.  
Superintendent

This letter from our Superintendent, Dr. Scambrey was sent to all district stakeholders emails yesterday. This copy does not have live links, so please check your email to pick the cohort for your child by Wednesday, April 14<sup>th</sup>. It will be exciting to have more students on campus four days a week beginning April 19<sup>th</sup>! Additionally, the additional in person

instructional time with teachers will be valuable as we prepare for AP exams, Final Exams, Graduation, summer events, and then our full return in Fall, 2021! These are very exciting times to be a Warrior!

Dogs are some of the best creatures on earth. You can feel not great, had a bad day, or whatever, but it is difficult to continue having a bad day when your dog is this excited to see you. Luna is always excited, so I may not be the reason... I hope everyone has the chance to get outside and enjoy the wonderful weather we are so fortunate to have in So Cal. It is going to be a wonderful weekend! I will see everyone back here in person or in the Virtual world on Monday morning!

W.V. Mynster
